2. Other Items:

- A. SET/Fenix USA – Contracted monthly for support with the AMI Software and program. We are paying for only the meters that have been installed or ready to install, currently 594, at a rate of \$1.10 per end point. We will be adding more to their contract as we finish the installation phases.
- B. Pine Cove Park – We cleaned up the dead tree and started thinning the frontage of the property. No Snow Play and No Trespassing signs have been placed temporarily. More signage will be added as we develop the property.
- C. Production Sources – Well #6 was cleaned and scrubbed. A new pump and motor as well as column and wire were installed. After flushing and testing, Well #6 will be back in service and ready to use when needed.
