|                                   |                      |
| C. Static Well #10 – 63.1 feet    |                      |
| Up 7.1 feet                       |                      |

2. Other Items:

- A. Meter Installation – Continues until the project is complete. Field crews are in book 5. Our goal is to be completed with the installation by end of September.
- B. Production Sources – Well #25 was pulled and found to be seized. The well will be scrubbed and new equipment will be installed. Well #26 will receive the same treatment.
- C. Backyard Project – The piers will be worked on during any down time from the meter installation as well as any time Jeremy has available.
